

RUKSANA SYEDA

Pharmacology graduate with a solid academic background and a comprehensive skill-set, underpinned by experience in pressurised environments whereby self-motivation and a positive response to pressure are essential. A committed team player with leadership ability, who uses high standards of communication to establish positive interpersonal relationships. Quick and willing to assimilate and apply new work procedures; familiar with a wide range of computer applications / hardware combined with high standards of literacy.

QUALIFICATIONS AND ACCREDITATIONS

Ongoing personal development and career progression is important to me, as demonstrated by the completion of pharmacy course, together with:

2004 - 2006 UNIVERSITY OF HERTFORDSHIRE

❖ **M.Sc. in Pharmacology**

Modules Studied:

Core Pharmacology, Molecular Medicine, Core Molecular Biology and Drug Discovery & Development

Problem based learning :

- ❖ To design a vaccine against gastrointestinal pathogen that confers all the advantages of a 'live' vaccine without being any form of the pathogen itself.
- ❖ To evaluate the potential of "CRTH2" receptor antagonists as novel treatments for bronchial asthma.
- ❖ To investigate the pathophysiology, diagnostics and treatment for Huntingtons and Parkinsons disease.

1999 - 2003 JAWAHARLAL NEHRU UNIVERSITY, INDIA

❖ **Bachelors in pharmacy (First Class, distinction)**

Modules Studied

Mathematics, Computer Applications and Statistical methods, Pharmaceutical Dispensing, Pharmaceutical Microbiology, Pathophysiology, Bio-Chemistry, Hospital Pharmacy. Bio-Pharmaceutics and Pharmacokinetics, Pharmaceutical Analysis, Clinical pharmacy Medicinal Chemistry, pharmacology and therapeutics and Dosage form Design.

INDUSTRY PLACEMENTS

To complement the above, in 2003, I completed a work placement with natco pharmaceuticals limited in Hyderabad - during which time I worked on the various section like tablets, capsules and syrups which are approved by the drug controller, Govt. of AP under the provisions of drugs and cosmetics act 1940.

WORK EXPERIENCE

College of pharmacy, Jazan University, Saudi Arabia.

2010 – till date
