Good morning Ashwag,

Congratulations on your acceptance to the Mount!

While taking the UBP you are only permitted to take 1 academic class which will be NUTR 1209.01. Upon your arrival in September you will meet with your academic advisor to learn about the other 2000/3000 level classes you must take. Below are the days and times of these two classes:

UBP Fall 2012

M&W: 8:30-11:00 in Seton 345
T&TH: 12:00-3:30 in Seton 345

NUTR 1209.01 (Introduction to Macronutrients) Fall 2012

M&W: 12:30-1:45 in Seton Auditorium A

Registration is May 12th and you can do this online.

In order to do so, you must have your Username and Password which should be included on your acceptance letter of primary email. If not, please send an email to helpdesk@msvu.ca with your name, student number and date of birth and ask them for your Username and Password. I have attached a step-by-step user guide to help you with the registration. Be aware the UBP is listed as "Bridging Course".

After you register for the UBP and NUTR 1209 you will need proof for the Saudi Bureau. Please click on the following link and download the form called "Letter Request".

<http://www.msvu.ca/site/media/msvu/LetterRequest%281%29.pdf>

- Fill out all the appropriate personal information at the top of the page
- Further down the page, check "Other"
- Next to it write "Letter of Enrollment for the Saudi Culture Bureau"
- Date and Sign

When you've finished, scan and email it back to registrar@msvu.ca and add your personal AND MSVU email address to which it will be sent back to.

After you register, I will also write and scan back a letter stating you have registered for the UBP. Please send both of these letters to the Saudi Bureau.

I hope this helps. If you have any further questions, please feel free to contact me again.

Good morning Ashwag,

In order to register for the UBP you must provide me with an original report from your language school stating you have completed your language training. I see on your file you submitted a letter of enrollment from KGIC in Vancouver stating you registered in the EPE. When you finish it you may enter the Mount's UBP.

After I receive your documents, you will register for 2 Fall 2012 classes:

UBP September 10-November 29
M&W: 8:30-11:00
T&TH: 12:00-3:30

NUTR 1209.01 (Intro to Macronutrients) September 5 – December 3

If you have any further questions, please let me know.
