# ***SEMINAR ANNOUNCEMENT***

**“The importance of course portfolio (focus on course report and some related quality aspects)”**

**Dr. Mohammed Fadhali**

Department of Physics, Jazan University, Saudi Arabia

**Monday, 19 February 2018, 12:15-1 PM**

In this short talk, I would like to point out some issues related to course portfolio and focus on course report with some related quality aspects by discussing answers to the following questions:

Why we need to write a course report?

What are the main components of a typical report?

(Some examples of proper and improper practices from last semesters).

How to make your report as a useful, complete and informative report that helps in assessing the program as a whole?
