SEMINAR ANNOUNCEMENT

“Assessment Analysis for constructive Alignment of Teaching & Learning”

Dr. Mohamed Fadhali

Department of Physics, Jazan University, Saudi Arabia

Monday, 26 Nov 2018, 12-1:00 PM

This talk will introduce brief outlines and descriptions on constructive alignment of teaching and learning with more focus on mapping of learning outcomes and their assessment on a course level as well as a program level. It will include Interactive discussion on the designed assessment template and illustrating how it can be effectively utilized for better enhancement of the assessment process
